QUOTES

For Tree Marking areas, quotations will be accepted on a cost/hectare basis. Quotes may be submitted for individual packages or combinations of packages. Quotes will be evaluated based on price, as well as the contractor's ability to ensure quality and timeliness of project completion.

The lowest, or any price, is not necessarily accepted. If further contract treemarking is required during the season, bids received in this process may be used as a basis for contractor selection.

Please note:

Only quotes submitted to tenders@algonquinforestry.on.ca OR received at either the AFA Huntsville or Pembroke offices in sealed envelopes marked "AFA Treemarking Quotes" and received prior to the closing date will be accepted.

Prospective contractors are encouraged to submit quotations early, and will receive an automated confirmation email when their quote had successfully been received by our system.

The closing time and date for submitting quotes is 4:00 pm on Friday, April 7, 2017.
