

Certificate of Registration

This is to confirm that KPMG Performance Registrar Inc. has verified that

Algonquin Forestry Authority

3B-1, 8 Crescent Road, Huntsville, Ontario P1H 0B3

Conforms with the requirements of the

Sustainable Forestry Initiative® (SFI) 2022 Forest Management Standard

Type of certificate: Multi-site

This certification applies to:

Forestry and logging operations (including planning, harvesting, roads, transportation and silviculture) carried out by Algonquin Forestry Authority staff and its contractors within the Recreation-Utilization (RU) Zone of the Algonquin Park Forest in Ontario.

For multi-site and group certificates, the list of participating sites is included in the attached appendix.

This certification is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Performance Registrar Inc. and the holder thereof. Certification does not assure the effectiveness of the Sustainable Forest Management System or continued compliance with relevant forest and environmental legislation and regulations.

Certificate No. PRI-SFIFM-085
Issue Date: January 1, 2023
Expiry Date: December 31, 2027
