### **Invitation to Quote – Bridge Inspections - Engineering Services Required**

The Algonquin Forestry Authority (AFA) is the Ontario Crown Agency responsible for the sustainable forest management in Algonquin Provincial Park.

We are seeking engineering services to complete condition assessments and prepare engineering reports for three bridges located within Algonquin Park.

The scope of work would include:

- Inspections of three bridges.
- Assessment of the current structural condition of each bridge and approaches.
- Identification of any deficiencies, maintenance requirements, and safety concerns.
- Preparation of individual engineering reports outlining findings and recommendations.
- Provision of preliminary construction cost estimates for any recommended repairs, rehabilitation work, or bridge replacement requirements identified during the assessment.

As part of your proposal, please provide:

- An estimate for the initial site visit and inspection services.
- Fees associated with preparation of the engineering reports.
- Your availability and anticipated schedule for completing the work.

The engineering reports should include recommendations for required work and corresponding preliminary construction cost estimates based on the findings of the inspections.

We would be pleased to provide any additional information required (photographs, existing records, and any other relevant information to assist with preparing your proposal).

Thank you for your consideration. We look forward to receiving your quotation and discussing the project further.

Please direct any questions to Jim Turney at 705-789-9647 ext. 125 or by email at [jim.turney@algonquinforestry.on.ca](mailto:jim.turney@algonquinforestry.on.ca)

Quotes must be sent either electronically to [tenders@algonquinforestry.on.ca](mailto:tenders@algonquinforestry.on.ca) or delivered in a sealed envelope marked "**Engineering Services - Bridges**" to our Huntsville Office-8 Crescent Road, Unit B3-1, Huntsville, ON P1H 0B3

**Quotes must be received no later than 5:00 p.m. local time July 3rd, 2026.**

## **Bridge Locations**

### **Crossings - 20070603, 20070604**

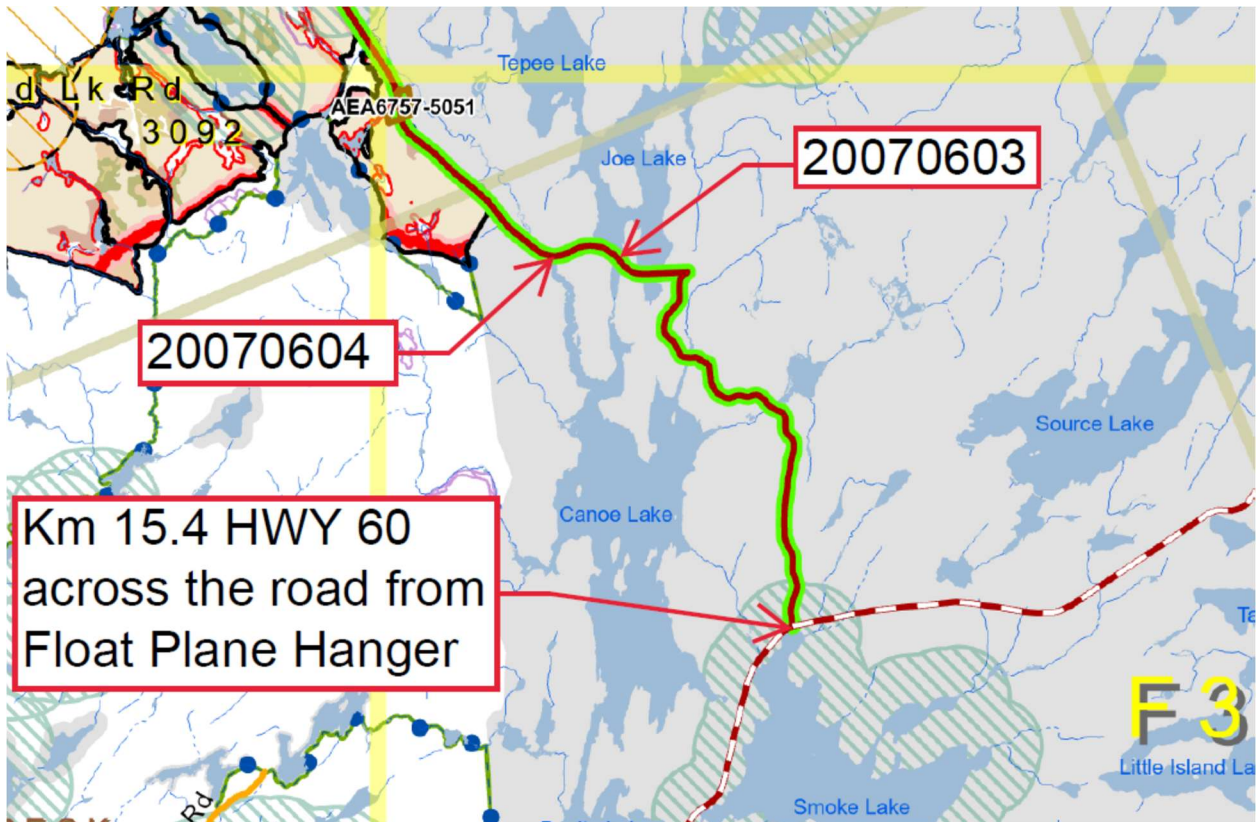

The Arrohon/Brule Lake road is located along Hwy 60 (Marker 15.4 KM from Algonquin Parks West Gate). The bridges are located along the public road section of this road. The road is used by park visitors to summer camps and is used by log trucks in the late fall/winter months.

Arrohon Road (Joe Lake) Km 5.5 – Crossing # 20070603

Arrohon Road (Potter Creek/Canoe Lake) Km 6.5 – Crossing # 20070604

<https://maps.app.goo.gl/io5gPwbqD547EkUR7>

## **Crossing # 20041204 - South of the Town of Whitney**

From the Town of Whitney, head south along the Hay Creek/South Cauliflower Lake Road. The Bridge is located at approximately KM 12. Access to this bridge is behind a locked gate. This bridge is on a low traffic road, not open to the general public. This bridge is primarily used by the Clyde Bruton Hunters association in the Fall and by Ontario Parks Staff. The bridge has been used for Log Haul traffic in the past and will again be used for this approximately in 2030.
