QUOTES

For Tree Marking areas, quotations will be accepted on a cost per hectare basis. Quotes may be submitted for individual areas or combinations of areas. Quotes will be evaluated based on price, as well as the contractor's ability to ensure quality and timeliness of project completion.

The lowest, or any price, is not necessarily accepted. If further contract tree marking is required during the season, bids received in this process may be used as a basis for contractor selection.

PLEASE NOTE

Only quotations submitted to tenders@algonquinforestry.on.ca and received prior to the closing date will be accepted.

Prospective contractors are encouraged to submit quotations early and will receive an automated confirmation email when their quote has been successfully received by our system.

The closing time and date for submitting quotes is **4:00 p.m. on March 17, 2026.**
