Job Opportunity – Woodlands Supervisor - Huntsville

The Algonquin Forestry Authority (AFA), an Ontario Crown Agency, invites applications for the position of Woodlands Supervisor - Huntsville. This recruitment process may be used to fill similar opportunities within the organization as they arise. The AFA is an innovative and progressive organization charged with ensuring the long term health of Algonquin Park forests while producing a sustainable supply of forest products for the industry subject to the Crown Forests Sustainability Act.

The Woodlands Supervisor position is based in Madawaska, Ontario and reports to the Area Manager at the AFA's office in Huntsville, Ontario.

What can I expect in this role?

In this role, you will:

- Support the monitoring of contractor harvest and access operations in the south and west sections of Algonquin Provincial Park.
- Coordinate tendering and monitoring of major road construction/maintenance, bridge and other specialized construction projects, including the acquisition of material and technical resources.
- Assist with operational program planning, including budgeting, contractor negotiations, product sales and project reporting and act as an expert technical resource to AFA staff and contractors.

How do I qualify?

Mandatory Qualifications:

- Diploma or degree from a recognized institution in Forestry with extensive (5+ years) forest harvesting, forest access road construction and maintenance experience.
- Valid Ontario Class G driver's license (or ability to obtain immediately).

Desirable Qualifications:

- Forestry experience in the Great Lakes-St. Lawrence forest type.
- Ontario Forest Operations Inspection Program certification.
- Crown Land Bridge Management – Inspections training and experience.
- Ontario Tree Marking Level 1 and Level 2 (audit).
- Ontario Scaler's License.
- Member of the Ontario Professional Foresters Association.

Required knowledge and skills:

- Knowledge of theories, methodologies and practices of sustainable forest resource management, and applicable acts, regulations and manuals (e.g. Crown Forest Sustainability Act, Species at Risk Act, Forest Management Planning Manual, and Forest Information Manual) attained through practical experience.
- A working knowledge of the Occupational Health and Safety Act, regulations under the Act, other related legislation, and standards and principles that apply to forest access and harvesting work supervised or controlled.
- Knowledge of personal computers, database management, Geographic Information System (GIS), Global Positioning System (GPS) and other current, relevant technologies.
- Ability to work in inclement weather, walk on uneven terrain, and work safely around heavy equipment in remote areas of Algonquin Park.
- Demonstrated interpersonal and communication skills to work collaboratively in a complex, fast paced environment, with the objective of achieving mutual goals.
- Reasoning, problem solving and analytical skills.

Additional Information:

Compensation: A salary based on qualifications and experience within the approved salary range of \$69,712 to \$84,719 per year. A full benefits plan and pension plan also included.

Posted on: Tuesday May 25, 2021

Deadline: Applications including resumé and covering letter are to be received no later than **Friday, June 11, 2021.**

How to apply:

Please submit a covering letter and resumé describing how your experience and knowledge fulfills the job requirements.

Interested candidates may submit their application in confidence via e-mail indicating “**Woodlands Supervisor**” in the subject line to:

Jeff Leavey, General Manager
email: jeff.leavey@algonquinforestry.on.ca

We thank all candidates for their interest, however only those selected for an interview will be contacted.

The AFA is an equal opportunity employer. If you require a disability-related accommodation, contact the AFA General Manager at the address above. Provide your specific contact information. You will be contacted within 48 hours.
